

WOODMAN NEIGHBORHOOD COMMUNITY WORKSHOP JOIN US!

The Woodman Ave. Median Project will result in less local flooding, cleaner and more abundant local groundwater, vibrant habitat and a more pedestrian-friendly neighborhood.

Wouldn't it be great if you could say the same about your own yard?
What if making that happen ended up *saving you money* every month?

Find out about some **exciting new programs** for Panorama City residents that can help you bring Best Practices for water management to your back yard!

Join us for a community workshop on residential water harvesting and conservation.

- ❖ Get info on all the latest rebates and incentives available to homeowners.
- ❖ Learn how small changes to your landscape can make a big difference.

Saturday, October 13, 10:00 am to noon
Ranchito Elementary School
7940 Ranchito Avenue, Panorama City 91402
